Vietnam Veterans Against the War (VVAW)
is an anti-war organization organized in
1967 and headquartered in New York City.
Its published objective is to "demand an
immediate cessation of fighting and the
withdrawal of all American troops from
Indochina". VVAW has participated in
several demonstrations, including massive
demonstrations in Washington, D. C.,
April 19-23, 1971.

This envelope contained a three page printed News
Letter Number 17, bearing the letterhead of the Alabama -
Mississippi Region Vietnam Veterans Against the War, Inc.,
1317 14th Avenue, Tuscaloosa, Alabama 35401. This news letter
set forth that it was desired to mobilize as many vets as
possible to attend the Republican Convention in Miami, and
that convoys from Los Angeles, Seattle and Boston would converge
in Atlanta, Georgia, August 18, 1972, and from there proceed
to Miami Beach en masse.

NEWS LETTER
NUMBER 17

On Saturday the 10th of June the Regional office had planed to hold a conference in Tuscaloosa to discuss the issues facing VVAW and to plan coordinated actions. But partly due to poor timing and poor planing and partly due to inaction on the part of many members in the region we didn't have a large group present and therefore could transact little business. Gengrally, we will continue to muddle along as prescribed by the preceeding conference. However, there were several good things that did come out of the meeting. The brothers and sisters from Selma agreed to help us put out the news paper that we are planing for this fall. At this point one half of the money needed has been pledged and plans are being finalized. Hope that you will support the effort! Also at the meeting members of the State and County IDPA discussed with us there plans for the fall campaign. The next Regional conference will be in Auburn around the first part of Sept. If you have ideas or want more information contact Coy Atkins, 101 North Debardeleben, Auburn, Ala. 36830. We will pass along the date and details when they are decided.

CONVENTION TIME IS NOW * * * * * COME TO MIAMI!

We would like to mobilize as many vets as possible to attend the Republican Convention in Miami. Three convoys, from Los Angeles, Seattle, and Boston, will converge on Atlanta on August 18. From there, we will be preceeding to Miami beach en masse.

The potential for getting the word out, in a big way, is there waiting for us. The only way for it to be effective is for the turnout of veterans to be large. SO, if you would like to join us, drop us a line in Tuscaloosa and we'll get together on it, or just get on down there the best way you can. We will have a big "ALABAMA-MISSISSIPPI VIETNAM VETERANS AGAINST THE WAR" flag flying so let's rally around.

There is a full-range of effective, non-violent activities and actions planned. This is going to be a cool convention, as far as we are concerned. VVAW will also be acting in various capacities relating to crowd control and the maintenance of a non-violent atmosphere. We need all the support we can get. JOIN US IN MIAMI!

We put this news letter together out of our own pockets, which is OK, but we can't afford to keep doing it without a little support. At least drop us a line and let us know if you want to continue receiving the thing, or whatever else comes to mind. Anyhow, we're going to limit mailing to people we hear from (a postcard?) for a while. It's the only way we can make it. If you've paid dues, drop us a line anyway, or don't bitch when you don't get a letter.

The Regional Office has T-shirts, films, books, and other literature for your use just for the asking. Let us know what you need.

Due to our financial situation we have not been in close contact with Jackson, Miss. Chapter or Auburn Chapter but hope that both are making plans to get to Miami. At least one car lead per chapter.

GOING TO MIAMI?

We plan to leave Tuscaloosa on the 17th of Aug. Write or call for transportation information. DO IT NOW, BROTHER!

Anyone interested in having a copy of our state GI Bill and/or working to see that it is passed, please write. For only \$15 we can send a copy with a letter about VVAW to every state legislator in Ala. If you would like to car-mark a contrabution for that purpose make check to Ala. VVAW.

*****FEDERAL GRAND JURY BEING USED TO NEUTRALIZE VVAW ACTIVITIES IN MIAMI*****

A federal grand jury convened in Tallahassee, Florida to question 24 members of VVAW, according to the Justice Department, for weapons conspiracy and crossing state lines with intent to cause a riot. The subpoenas were served by FBI agents during the weekend of July 8th just at the time when planned demonstrations at the Democratic National Convention in Miami were to get underway. It was a deliberate move by the Nixon Administration to disrupt peaceful demonstrations and, eventually, cause the neutralization of VVAW as an effective anti-war organization which could embarrass the Republican Party during its convention. Called for questioning were Peter Mahoney, a National Coordinator; three regional coordinators: John Kniffen, Texas, Scott Camil, Florida, and Don Donner, Arkansas-Oklahoma; and 20 chapter coordinators and members from Florida, Louisiana, Alabama, Texas, and Arkansas. For the past three months, this 30,000 member veterans organization has been the target of concentrated attacks by infiltration and disruption by federal agents. One confessed informer from Arkansas was uncovered by the vets in May of this year. In a confession made to the veterans under his own free will, the informer stated that the Government intends to keep VVAW coordinators from the scene of the conventions. Two other agents who were posing as anti-war vets were exposed last Saturday by VVAW Dade County Coordinator, Alton Foss. As soon as the Vets made it clear to the undercover agents that they know of their identity, the pair tried to recruit Foss into setting up some members of VVAW on weapons charges. Foss, instead, went to some lawyers and exposed the underhanded tactics to the press in Florida.

FBI agents in at least two cities in Alabama have questioned members of the Ala. VVAW, Inc. In Auburn, Van Thomson, a member of the State Office, was questioned about bombings and other activities completely foreign to the non-violent tactics and peaceful philosophy demonstrated by all members of the Ala VVAW. The FBI and the Justice Department (the co-conspirators) are apparently attempting to discredit the VVAW and destroy the machinery of peaceful protest before it can be brought to bare at the Republican Convention. In Tuscaloosa, Bob Weston was subpoenaed by the FBI to testify in Tallahassee and his report follows:

Most questions asked by the grand jury were totally alien to anything I was aware of. Our attorneys sought to obtain a 20-day delay but we were told that serious crimes against the U. S. were being investigated and the delay was not granted. We felt the action was a violation of our constitutional rights. We were given only three days prior notice and some of the guys had to drive more than 1,000 miles to get there. It was just harassment on the part of the Fed. government to keep us from attending the Democratic Convention.

***** 6 VVAW Members Indicted *****

The indictment came only hours after the Democrats, on the last night of their convention, passed a resolution which condemned the Nixon administration for attempting to "intimidate and discredit" the Vietnam Veterans Against the War. The six indicted were accused of plotting to launch attacks on police stations, patrol cars and stores. Held in Tallahassee under \$25,000 bond were John Kniffin, Peter Mahoney, and Scott Camil. Alton Fosc was held in custody by US marshals in Dade County. Don Perdue and William Patterson were also indicted. An attorney for the veterans immediately protested the arrests and said motions would be filed to quash the indictments and to lower the bonds. VVAW members outside the federal court said the indictments were an attempt by the Nixon administration to discredit the organization. "This is another Chicago and Harrisburg" said Dave Rosen, Col. Coordinator. "They're just trying to get us out of circulation." In Gainesville, members recalled the May Day demonstrations where Scott Camil had curbed some sporadic window smashing and street fighting by protesters. Thanks to concerned citizens 75,000 dollars was raised to free our brothers.

This whole ridiculous affair arose out of a VVAW meeting in May in Gainesville where the Southern regions were planning peaceful actions at the Democratic Convention. Plans for the Republican convention were to be made on the national level--not at the meeting in Gainesville. Mahoney, a former Army lieutenant and a National coordinator for the VVAW said he was grateful to those who had raised the bail money "but we shouldn't have been there in the first place." He went on to say that plans for the Republican convention weren't even discussed at the meeting in Gainesville.

The actions of the Justice Dept. will discredit VVAW in the eyes of many uninformed people. It has tied up many of our brothers and much money. But it will not intimidate us. In fact quite the opposite, we will redouble our efforts to bring the truth to even those who don't want to hear it. We will not forget the war or our part in it. And we will be at the Republican Convention.

+++++ VVAW at Democratic Convention +++++

The L.A. Free Press reports that some unknown persons gave the VVAW a group of convention passes. Once inside the brothers displayed our colors and demonstrated our commitment to total withdrawal. Outside other members did some guerilla theater at the convention fence and participated in other demonstrations.

The Regional Office is in contact with Alabama Citizens for McGovern, 927 Mansard Dr., Birmingham, Ala. We have bumper stickers, copies of McGovern's platform, and other materials. We, in Tuscaloosa, plan to work with the McGovern people and hope that you will feel inclined to do so also. LETS GET TOGETHER!!

I don't know how everyone else feels, but I firmly believe that what happens this year is going to be very decisive for the people of Indochina. In Houston we started to get something together, an awareness of what we are and can be doing. We certainly cannot afford to lose that. I keep hearing rumors of the impending death of VVAW, people saying, "after all men, how long can you go on being a vot against the war?" That's one of our problems... folks can't seem to get adjusted to the idea that many of us can never go back to being 'people', we've got a monkey called war on our backs, and it won't let go. VVAW is alive and well, what I am personally looking forward to is the day that we can drop the 'the' from VVAW!

Re San Francisco nitel to Director, 4/17/72.

On 4/17/72, a coalition of approximately 500 individuals interested in ending the war in Vietnam, gathered at the Civic Center, San Francisco, to obtain support for an anti-war demonstration scheduled for 4/22/72 in cities throughout the United States. After 16 representatives of Vietnam Veterans against the War occupied the U.S. Air Force Recruiting Office at the Federal Office Building, 50 Fulton Street, San Francisco, additional demonstrators arrived at the scene where a crowd of approximately 750 demonstrators chanted anti-war slogans and blocked the entrances to the building. U.S. Attorney JAMES L. BROWNING, JR., personally directed a group of Deputy U.S. Marshals to effect the arrests of the 16 demonstrators within the U.S. Air Force Recruiting Office, charging them with disorderly conduct on General Services Administration property. Thirteen other demonstrators were subsequently arrested by the San Francisco Police Department (SFPD) outside of the Federal Office Building for interfering with the police.

During the demonstration, the captioned vehicle, which had been left parked and unoccupied in front of the Federal Office Building, was set afire after all of the windows had been broken and all four tires had been slashed. The entire interior of the vehicle was destroyed by flames prior to the arrival of Engine 17, Battalion 2 of the San Francisco Fire

VIETNAM VETERANS AGAINST THE WAR
NATIONAL STEERING COMMITTEE MEETING
PALO ALTO, CALIFORNIA
September 29-October 2, 1972

[redacted] who has furnished reliable information in the past, advised today that Tom Hall, Kansas City Vietnam Veterans Against the War (VVAW) chapter 1, said at a VVAW meeting [redacted] that the VVAW National Steering Committee meeting date has been changed from October 6, 7, 8 and 9, 1972, to September 29 to October 2, 1972, Palo Alto, California. The date was changed as it conflicted with the Gainesville trial to start on October 10, 1972.

The VVAW was founded in the spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, "Vietnam GI," and sent close to 500 veterans into the McCarthy campaign to beat down the red baiters. After getting gassed at the Democratic convention at Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the fall of 1969. Members of VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW, nationally, consists of 8,500 members.

BOTH NEW YORK AND CHICAGO BEAR IN MIND THAT DURING PROCESS OF PHYSICALLY MOVING VVAW HEADQUARTERS FROM NEW YORK TO CHICAGO, VVAW COULD BE EXTREMELY VULNERABLE TO COVERAGE THROUGH EMPLOYMENT OF UNIQUE AND IMAGINATIVE EFFORTS OF YOUR AGENTS. OPPORTUNITIES MIGHT PRESENT THEMSELVES TO OBTAIN UP-TO-DATE PHOTOGRAPHS OF VVAW LEADERS, AND FURTHER IDENTIFY LEADERS AND SYMPATHIZERS.

BASED ON INCREASING MILITANT POSTURE OF VVAW AND RECENT ACTIONS INDICATING INVOLVEMENT IN VIOLENCE, EVERY OPPORTUNITY MUST BE TAKEN TO INSURE FULL AND COMPLETE QUALITY LIVE INFORMANT COVERAGE, ESPECIALLY AT HEADQUARTERS LEVEL. CHICAGO WILL BE EXPECTED TO CAPITALIZE ON EXCELLENT OPPORTUNITIES PRESENTED THROUGH ESTABLISHMENT OF NEW HEADQUARTERS IN YOUR DIVISION, AND PROGRESS IN ESTABLISHING COVERAGE AND RESULTS THEREFROM SHOULD BE FURNISHED BUREAU ON EXPEDITIOUS BASIS.

Due to increasing militance and violence-prone nature of certain VVAW members and chapters, intensive investigation continues to insure FBI is aware of future VVAW plans for disruptions. New York has advised that VVAW headquarters is being moved to Chicago which could prove particularly beneficial to our coverage of VVAW in establishing coverage in Chicago on a "ground floor" basis. Investigation has determined that the Vietnam Veterans Against the War (VVAW) is recognized as a legitimate campus organization at San Diego State University, San Diego City College (Junior), Mesa Junior College and Mira Costa Junior College.

The VVAW is a national veterans organization with a national office located at 25 West 26th Street, New York City. Its first published objective is "to demand an immediate cessation of fighting and a withdrawal of all American troops from Indochina."

On May 31, 1972, [REDACTED] San Diego State University, advised that the VVAW is not an active campus organization and the group only peaceably exhibits a VVAW banner at campus rallies on a few occasions.

The VVAW has engaged in no extraordinary activities at San Diego State University.

Pacific Counseling Service is a member organization of Community Congress of San Diego and is self-described as providing information and explanations of rights of military personnel and assists those on active duty to obtain them through legal counseling.

VIETNAM VETERANS AGAINST THE WAR
SAN DIEGO, CALIFORNIA

The Community Congress of San Diego (CCSD) is self-described as consisting of individuals and social agencies serving a wide range of human needs, from free clinics and street agencies to church urban agencies. The Congress is committed to the reduction of human suffering of the repressed and alienated segments of society whose needs have been repeatedly ignored by major political parties. Since late August, 1971, the CCSD has been planning a response to the Republican National Convention to be held in San Diego in August, 1972. This response is being called the Congress August Project (CAP), which will include provision of human care services and politically relevant programs.

On August 29, 1972, [REDACTED] was interviewed by representatives of the Federal Bureau of Investigation (FBI). He admitted past association with the VVAW at Mesa Junior College, and said that he is currently active in planning a protest trip to the Los Angeles area on behalf of Gary Lawton. He said that all activities now stem from the VVAW Office at 827 Fifth Avenue.

The Gary Lawton Defense Committee is a Riverside, California, based group which is seeking to raise funds to be used in the legal defense of Gary Lawton, who faces charges of ambushed shooting deaths of two police officers in Riverside, California.

The VVAW, which operates out of 827 Fifth Avenue, has a total of about 24 members, both civilian and military. One need not be a veteran to be a VVAW member, but must be a veteran to hold office. The VVAW maintains a recipe-type

"Also Sunday, the Vietnam Veterans turned a 26-year-old Gainesville man over to Miami Beach police and then destroyed two fused Molotov cocktails, three wrist rockets, two lead-weighted arrows, 200 marbles and 100 sharpened bolts they said he had in his possession."

[REDACTED] was charged with creating a disturbance and obstructing an officer after he got in a scuffle with police outside the park. Police said the Veterans had [REDACTED] under surveillance for more than 24 hours. Police gave the Veterans permission to destroy the weapons."

The following investigation was conducted by Special Agents [REDACTED] and [REDACTED]

VIETNAM VETERANS AGAINST THE WAR

On August 15, 1972, a source who has furnished reliable information in the past advised that the Vietnam Veterans Against the War (VVAW), Boston Chapter, plans to leave Cambridge, Massachusetts on August 16, 1972 in a motorcade and proceed to Miami, Florida, the site of the Republican National Convention.

The VVAW is a veterans' organization with a national office at 25 West 26th Street, New York, New York. Its first published objective is "to demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina". VVAW has participated in several demonstrations including a massive demonstration in Washington, D.C., during the period April 19-23, 1971.

On August 16, 1972, Agents of the Federal Bureau of Investigation (FBI) observed a three-car motorcade depart from in front of the VVAW Headquarters, 550 Massachusetts Avenue, Cambridge, Massachusetts, at 10:00 A.M. This group consisted of nine males and one female.

The motorcade was observed leaving Cambridge, Massachusetts proceeding to Boston and then to the junction of Route 128 and Interstate 95 in Dedham, Massachusetts where the motorcade entered Interstate Route 95 and proceeded in the direction of Providence, Rhode Island.

The motorcade consisted of three vehicles; the first being a 1968 Mustang, 1972 Massachusetts Registration [redacted] which is registered to [redacted] Waltham, Massachusetts.

The VVAW was founded in the Spring of 1967, by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, "Vietnam GI," and sent close to 500 veterans into the McCarthy Campaign to beat down the red baiters. After getting gassed at the Democratic Convention in Chicago, and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the Fall of 1969. Members of the VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW nationally, consists of 8,500 members.

PURPOSE:

To recommend that Bureau file 100-448092 concerning captioned organization be maintained in Domestic Intelligence Division (DID) at least until completion of forthcoming trial involving Federal antiriot charges against Vietnam Veterans Against the War (VVAW) members.

BACKGROUND:

On 7/13/72 Federal Grand Jury (FGJ), Tallahassee, Florida, based on information and evidence introduced by FBI Agents and informants, returned indictments against six VVAW members charging violation of Federal laws, including conspiracy to riot during Republican National Convention, 8/72. As a result of this development, a tremendous volume of correspondence has been both initiated and received by DID to fully resolve all possible questions with regard to evidence to be presented at trial. In addition, on daily basis Departmental attorneys who handled case before FGJ and who will present case during trial pose numerous additional questions which must be researched and relayed to pertinent field offices for resolution without any delay.

In anticipation of even increased correspondence in this matter in order to prepare for trial currently set for 10/10/72, and to insure that files in this case are available on an immediate basis to Agents in DID responsible

Vietnam Veterans Against The War,

Vietnam Veterans Against The War
Characterization of Subversive Organization
Internal Security - Revolutionary Activities

On August 25, 1971, a [REDACTED] furnished information that the Vietnam Veterans Against The War, Incorporated (VVAW) was founded in the Spring of 1967 by six veterans living in New York City (NYC).

[REDACTED] furnished on April 26, 1972, a one page document entitled, "Revised Objectives of VVAW". The objectives demand an immediate end of war in Indochina, an end of suppression of struggles for liberation and self-determination, the guarantee of constitutional rights of military personnel, the support of military personnel who refuse to serve in wars against their consciences, an end to distinctions of military discharges and to show that no open investigation of American war crimes in Indochina has been undertaken, and that American society is permeated by racism and sexism.

[REDACTED] advised on May 23, 1972, that the VVAW is a national organization composed primarily of veterans of the war in Vietnam, and its national office was located at 25 West 26th Street, NYC.

The VVAW has been reported to have engaged in numerous demonstrations against the war in Vietnam from the march from Morristown, New Jersey, to Valley Forge, Pennsylvania, September 4-7, 1970, and including the seizure of the Statue of Liberty, NYC, and the occupation of the Betsy Ross House, Philadelphia, Pennsylvania, December, 1971. Six members of the VVAW were indicted by a Federal Grand Jury, Tallahassee, Florida, July, 1972, on charge of conspiracy to violate the FEDERAL AntiRiot Law.

A [REDACTED] advised on September 8, 1972, the VVAW was in the process of moving its national office from NYC to Chicago, Illinois.

Review of the information discloses if such a source exists as alleged, "a clerk who sees the VVAW file in the Bureau as it is shuffled back and forth between their filing system and those Bureau Agents drawing the file," it would of necessity be an employee within Files and Communications Division or within the mail room of the Domestic Intelligence Division. It is recognized, of course, that any clerk at FBIHQ, with access to the file number and who is in position to obtain files in the regular routine course of his or her official duties, can request the VVAW file. Further, if the leak were from within the Unit handling VVAW, more precise and accurate information would be available from ticklers, work papers and general knowledge within the Unit. Access to the file would be unnecessary in the latter instance.

A lengthy discussion was held between Assistant Director John W. Marshall, Files and Communications Division, and  Domestic Intelligence Division, concerning this matter. Mr. Marshall pointed out there are 30 volumes of the VVAW file and any one of the 381 employees of that Division in the Identification Building could conceivably have access to the VVAW file. Further, Mr. Marshall stated through serializing and the many other procedures of processing mail and handling file requests there would be no practical way to establish which clerical personnel had legitimate access to a given file in the past.

TOP SECRET
Memorandum to Mr. E. S. Miller
RE: UNKNOWN SUBJECT; ALLEGED SOURCE WITHIN
FBI FURNISHING INFORMATION TO VIETNAM
VETERANS AGAINST THE WAR (VVAW)

It was mutually agreed, for security reasons in view of the alleged leak, to move the 30 volumes of the VVAW file to the Unit in Domestic Intelligence Division to be maintained in locked, secure cabinets. The reason given within Files and Communications Division will be that the forthcoming trial at Tallahassee warrants maintaining the file in Revolutionary Activities Section for ready access to meet trial needs and Departmental requests on an emergency and expedite basis. A short routine memorandum to this effect is being forwarded to Files and Communications Division. A particular benefit of this arrangement is any request for the file will now be cleared through the case Agent who has physical custody of it and a firm basis established for need before it is released to an Agent.

As to the investigation to identify the alleged leak, the following background is pertinent:

1. During past conferences of VVAW, several claims have been made that VVAW has informants or sources in various intelligence and police agencies. For example, during a VVAW National Steering Committee meeting, Houston, 4/7-11/72, a VVAW leader from Kansas City claimed that his chapter had a contact in military intelligence who had proof of Government surveillance of VVAW and stated that this information would be publicized in the near future. At the same meeting, VVAW leader of the St. Louis chapter claimed that he had sources at the Federal Records Center who could photostat any information in military records upon request of any VVAW member. All information concerning the claims of VVAW penetration of other agencies was furnished immediately to the agency involved, including Army intelligence, or in other cases local police departments. To date, there has been no corroboration from these agencies, even after intensive investigation, that VVAW infiltrators are inside the organizations.

RE: UNKNOWN SUBJECT; ALLEGED SOURCE WITHIN

VETERANS AGAINST THE WAR (VVAW)

2. Just as VVAW has made numerous claims of penetration of other agencies, the organization has displayed an almost paranoiac obsession with infiltration in its own ranks. For example, at the April meeting in Houston various VVAW leaders named six individuals as police informers in various VVAW chapters around the country. Pertinent field offices advised that these individuals were not Bureau informants and dissemination was made immediately to other military agencies and local police agencies with no confirmation received that any of these individuals were informants for any police agency.

67D [REDACTED] was an important factor in the Department's decision to initiate Federal Grand Jury proceedings against the VVAW in Tallahassee, Florida, which led to the indictment of six VVAW leaders for conspiracy to violate the Antiracket Statute.

[REDACTED] was thoroughly analyzed and accounted for. There was no basis to believe that in either instance a leak of Bureau files was involved.

[REDACTED] so aware of [REDACTED]

Another law enforcement agency in Miami, Florida, determined the manner by which [REDACTED] and it in no way involved a leak of our information. Following the Grand Jury action, the VVAW initiated an intense program aimed at purging its ranks of FBI and police informants. We became aware of this activity and an airtel was sent to all offices specifically alerting them to this situation and instructing the [REDACTED]

Mr. Felt:

Per conversation today, in regard to Mr. Kinley's observations, following information is set forth: While we can identify the employee who performs any one of the many steps involved in processing a piece of mail for file, we do not, for practical purposes, maintain a record of the identity of all employees who have legitimately handled or reviewed the file after mail has been filed. The enormity of the volume of work connected with legitimate file activities makes the maintenance of such a record administratively impractical. In connection with the Bureau's name check program, during the last fiscal year, we handled approximately 2,145,000 name checks and it is estimated that we reviewed approximately 708,000 files on these name checks alone. Additionally, approximately 1,014,000 files are charged out and returned to the file cabinet for official purposes annually based on current statistical data. This tremendous volume of activity makes it highly impractical to maintain administrative records showing the identity of employees who have reviewed or handled files.

On January 28, 1972, [REDACTED] who is in a position to know some facts concerning [REDACTED] reported that [REDACTED] was attending the Tidewater Community College in Portsmouth, Virginia, at that time and that he [REDACTED] had been very quiet, that he had not been promoting any VVAW activities on the campus at Tidewater Community College.

The VVAW National Steering Committee held a meeting April 7-11, 1972 in Houston, Texas, and [REDACTED] and [REDACTED] all of whom were familiar with most of those who attended the national VVAW National Steering Committee meeting indicated in April, 1972 that no one from Norfolk, Virginia, especially [REDACTED] attended this meeting.

On June 9, 1972, [REDACTED] who was at that time in a position to know the identities of the VVAW coordinators throughout the United States, advised that [REDACTED] Norfolk, Virginia, telephone [REDACTED] was the [REDACTED] for VVAW. This area falls in the VVAW region of District of Columbia-Eastern Maryland-Virginia.

A VVAW National Steering Committee meeting was held July 21-24, 1972 in Milwaukee, Wisconsin. It is to be noted that on October 15, 1971, [REDACTED] voluntarily appeared in the Norfolk Office of the FBI stating that he desired to discuss his activities with the FBI. During the interview, [REDACTED] stated that he receives mail from the VVAW which is headquartered in New York City. [REDACTED] stated that he felt within the past year the mail from this organization had taken on somewhat of a "Communist Party line." [REDACTED] felt that the organization (VVAW) was no longer made up of Vietnam veterans and that other individuals affiliated with other organizations had infiltrated the VVAW. [REDACTED] indicated that he became involved with the VVAW when he was approached by [REDACTED] of Norfolk, who represented himself as the organizer of the VVAW for the Norfolk area. [REDACTED] stated that [REDACTED] was [REDACTED]

[REDACTED] advised at that time that the only VVAW activity he had participated in with that organization was an anti-war demonstration in front of the main gate at the Norfolk Naval Station, Norfolk, Virginia, in October, 1970. On August 2, 1972, [REDACTED] was recontacted and advised that he had not heard of any VVAW activities in the Norfolk area in a long time. On July 19, 1972, [REDACTED] who is in a position to know some facts concerning subversive activities in the Norfolk, Virginia, area, reported that the Progressive Labor Party (PLP) held a study session at [REDACTED] Norfolk, Virginia. [REDACTED] was among those present. [REDACTED] reported he attended the PLP study session as a representative of the VVAW. One of those present identified by [REDACTED] as a member of the Students for a Democratic Society (SDS) in Norfolk, Virginia, reportedly informed [REDACTED] that the SDS would be glad to work with the VVAW in recruiting people and transporting them to Miami for demonstrations during the 1972 Republican National Convention.

On July 31, 1972, [REDACTED] Third Precinct, Norfolk, Virginia Police Department, advised that [REDACTED] was a Norfolk Police Patrolman assigned to the Third Precinct. On August 22, 1972, [redacted] supra, advised that [redacted] had not attended the summer session at Tidewater Community College, Portsmouth, Virginia, however, [redacted] was expected to re-enter Tidewater Community College in fall 1973.

Students for a Democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy," SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June, 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Chicago, Illinois.

Weatherman, formerly a faction of Students for a Democratic Society (SDS), controlled the SDS National Office from June, 1969, until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

Worker Student Alliance (WSA), a faction of Students for a Democratic Society (SDS), was expelled from SDS in June, 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and in February, 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street.

VIETNAM VETERANS AGAINST THE WAR

A characterization of the Revolutionary Youth Movement (RYM) is contained in the appendix section attached hereto.

The Progressive Labor Party (PLP) was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and Mao Tse-Tung thought.

APPENDIX

REVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anti-communism, fascism and oppression of youth; and support of the right of all "oppressed nations", also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C. both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, pro-black nationalist, people's women's liberation organization."

VIETNAM VETERANS AGAINST THE WAR

Investigation has indicated that three Vietnam Veterans Against the War (VVAW) chapters were located in the Dallas - Fort Worth, Texas area. Those chapters were located at Texas Christian University (TCU), Fort Worth, Texas; University of Texas at Arlington (UTA), Arlington, Texas; and Eastfield Junior College (EJC), Dallas, Texas. These chapters' activities included a 32 mile march-type demonstration from Fort Worth to Dallas, Texas, September 4-6, 1971; a guerrilla theatre (pantomime) of a search and destroy attack on suspected Viet Cong at TCU in October, 1971; and a visit to the Veterans Administration Hospital, Dallas, by VVAW members from EJC in the fall of 1971.

VVAW is an anti-war organization organized in 1967, with headquarters in New York City. Its first published objective is "to demand an immediate secession of fighting and the withdrawal of all American troops from Indo-China."

AT EASTFIELD JUNIOR COLLEGE

On January 25, 1972, [redacted] Security, EJC, advised the VVAW organization at EJC is disbanded and defunct as an organization.

AT TEXAS CHRISTIAN UNIVERSITY

On March 28, 1972, a [redacted] text telephone call made by a Special Agent of the Federal Bureau of Investigation, to the residence of [redacted] Arlington, Texas, revealed the VVAW chapter at TCU is inactive and has done nothing since the guerrilla theatre held in October, 1971, at TCU.

The WRL has been publicly described as founded

The above mentioned pretext telephone call on
March 28, 1972, to the residence of [redacted] also revealed
that [redacted] has replaced [redacted] at UTA in-
asmuch as [redacted] is carrying a heavy academic work load.
Meetings of the chapter are held on the first and third
Thursdays of each month at which time there is open dis-
cussion and debate concerning events in Vietnam. Numerous
individuals have attended these meetings; however, most of
them attend two or three meetings and never return. The
three classes of members are Vietnam Veterans, associate
members who are veterans and sympathizers or supporters. The
VVAW has not endorsed any political candidate and does not
intend to do so. Although the Arlington UTA VVAW chapter

RE: VIETNAM VETERANS AGAINST THE WAR

is believed to be the only active chapter in the area, they have had no activity since last September, 1971, when they marched from Fort Worth to Dallas, Texas. The VVAW is independent of any other organization and is not influenced by any one individual or group. The organization feels that the war in Vietnam is wrong and are attempting to influence people in non-violent ways which primarily consist of guerrilla theatre stunts and some movies.

On April 15, 1972, [REDACTED] advised that a non-violent demonstration was held at the John F. Kennedy Memorial Plaza, Dallas, Texas. The demonstration was sponsored by the Dallas - Fort Worth Peace Action Coalition; however, a few members from the Arlington UTA VVAW chapter participated. Approximately twenty people were involved and the demonstration quietly ended at 3:55 PM, April 15, 1972.

The Dallas - Fort Worth Peace Coalition is an association of peace groups in the Dallas - Fort Worth, Texas area. It is composed largely of members from the Dallas Peace Coalition (DPC) and led by Johnny St. Angelle.

The DPC was originally organized during 1966 at Dallas, Texas. The DPC, during 1967 and part of 1968, held weekly silent peace vigils at Dealey Plaza, Dallas, Texas, in protest to the Vietnam War.

[REDACTED]

RE: VIETNAM VETERANS AGAINST THE WAR

The CALC is described as a group of clergy and laymen who have in the past concerned themselves with the Vietnam War. The CALC now concerns itself with matters other than the Vietnam War, including economics, prison reform, social and religious reforms.

On April 21, 1972, [REDACTED] advised that approximately twenty-five members and supporters of the Arlington VVAW held a rally at the Student Union Building, UTA, in protest of the continued bombing of North Vietnam. President Nixon was hanged in effigy and a short non-violent speech was given. There were no threats or damage to university property.

On May 4, 1972, [REDACTED] advised the UTA VVAW staged a protest march and demonstration against the continuation of the Vietnam War. The group, numbering about fifty, marched peacefully from Ferris Plaza to Dallas City Hall, Dallas, Texas. After a short prayer, the group then marched against traffic down Commerce Street to the front of the Federal Building. A short speech in protest of the Vietnam War was given by [REDACTED] who stated, "I am a veteran who was proud to go over there and fight. I know what it is like now and I don't like it. I, for one, will not subject myself to fighting in the war anymore." The demonstration ended without any incidents, property damage, or violence.

On May 9, 1972, [REDACTED] advised that the VVAW from UTA held a rally in protest to the escalation of the Vietnam War on the campus of Southern Methodist University (SMU), Dallas, Texas. Approximately forty individuals participated in the rally-demonstration which was held peacefully with no violence or arrests. Approximately fifty additional SMU students were attracted to the rally. After demonstrating at the Student Union Building, the group went to Perkins Hall Administration Building. At that time, twenty-two SMU students entered and met with SMU officials, demanding that SMU give a resolution condemning the Vietnam War. They stated that if school officials did not adhere to their demand, they would remain quietly in the building indefinitely until it was met.

RE: VIETNAM VETERANS AGAINST THE WAR

b2
b7D
[redacted] advised that at approximately 3:30 AM, May 10, 1972, the security force of SMU physically cleared the twenty students from the hallway of Perkins Hall. The students had to be dragged out bodily; however, they offered no resistance.

On May 26, 1972, [redacted] advised that the VVAW chapter at UTA was falling apart and was no longer a functional organization. Source blamed this on poor leadership and general apathy. Source further advised the same was happening on the state level of the VVAW organization.

On June 21, 1972, [redacted] advised there had been no VVAW activity in Arlington or UTA during the summer.

b7C
On July 3, 1972, [redacted] Arlington Police Department, Arlington, Texas; advised that a VVAW steering committee meeting was held July 1 and 2, 1972, at the UTA Student Union Building and the apartment of [redacted]. [redacted] stated he believed five people were in attendance at the meeting at the Student Union Building and that most of them were from Austin, Texas. Later, this group adjourned to [redacted] apartment where eventually a total of twelve people participated in the meeting.

On July 5, 1972, a pretext telephone call made by a Special Agent of the Federal Bureau of Investigation to [redacted] residence determined the above meeting consisted of a VVAW steering committee for the Southwest Region composed of individuals from Austin, Houston, San Antonio, Dallas and Arlington, Texas. It was further revealed that there was a definite lack of interest in the VVAW as there had been only one meeting held this summer and no one showed up. The prime reason for this meeting was an attempt to determine why there was a lack of interest and ways of stimulating old members to attend meetings.

On July 26, 1972, [redacted] was interviewed by Special Agents of the Federal Bureau of Investigation at which time he stated that he is [redacted] of the VVAW in Arlington, Texas, and that there were [redacted]

RE: VIETNAM VETERANS AGAINST THE WAR

b7C
not any VVAW chapters in Dallas or Fort Worth, Texas.
[redacted] related the VVAW had not held any meetings in three months and did not plan to do so in the near future.
[redacted] went on to state that a steering committee meeting was held during the first part of July in which it was primarily attended by members of the VVAW group from Austin which was headed by John Kniffin. [redacted] considered Kniffin and the VVAW group from Austin to be too radical and, therefore, he, as well as other former members of the Arlington VVAW, do not agree with Kniffin and his group.
[redacted] stated that he personally is too busy at the present time earning a living to be active in the VVAW any longer; however, he still opposes war in any form, especially the Vietnam War.
MEMBER OF SUBJECT ORGANIZATION

b2
b7D
On September 15, 1972, [redacted] advised there has been no VVAW activity in Arlington or UTA since the steering committee meeting held in July.

On 9/13/72, [redacted] Intelligence, St. Petersburg PD, and [redacted] Community Relations, St. Petersburg PD, Florida, advised that they have been alert for any information concerning the VVAW and nothing recent has come to their attention. They noted that the VVAW left for Miami, Fla., on 8/12/72 to attend the Republican Convention and have had no activities since that time. [redacted] and [redacted] said that they feel from contact with their sources that the new left and militant element in St. Petersburg became disenchanted with the VVAW members and associates who camped in St. Petersburg recently. This was due to their poor living habits and use of drugs, and the new left no longer support the VVAW unless it would benefit them.

RE: VIETNAM VETERANS AGAINST THE WAR

C. P. MEMBER

67C Source advised that [redacted] of the Communist Party (CP) of Florida, and that [redacted] and [redacted] are CP members. Source further stated that [redacted] is a high school teacher, presently teaching at [redacted] High School. She would like to join the CP, but is reluctant to do so because she feels it might jeopardize her position. EIA

[redacted] (phonetic) acted as [redacted] of the meeting, and [redacted] acted as [redacted]. Proceedings of the meeting were taped, so that "the FBI and the rest of the pigs can't accuse [redacted] of conspiracy or organizing a revolution", according to [redacted]. EIA

The purpose of the meeting was to organize a committee for the defense of the Gainesville Six (the indicted six members of the VVAW) and for the defense of other "political victims". Several persons present wanted a coalition committee for the defense of the Gainesville Six. [redacted] stated that if this becomes an overall committee, everything will become dissipated and he would like to see the committee organize itself solely for the Gainesville Six. He stated they have no committee in Gainesville or elsewhere for their defense. They receive no money from the national office of the VVAW, and don't expect much from them. He stated a number of individuals have contributed to the defense and several pledged a lot of money, but his group would like to see a responsible committee organized to accumulate this money.

[redacted] stated the trial is expected to begin approximately October 10, 1972, and a lot of legal expenses have already been incurred.

[redacted] intends to go on a national tour with Jana Ponda for the purpose of raising money for the defense of the indicted six members, and that several rallies are being planned, one with the rock group known as the "Jefferson Airplanes", which will probably be held in Gainesville. EIA

RE: VIETNAM VETERANS AGAINST THE WAR

Others at the meeting were critical of the disorganization existing in the national office of the VVAW. [redacted] was especially critical of the national office of the VVAW. F-14 b7c

It was finally agreed that persons present would constitute themselves as a "Committee for the Defense of the Gainesville Six", with [redacted] (phonetic) as [redacted] and [redacted] as [redacted] [redacted] had been suggested as chairman, but she declined. It was decided that [redacted] (Last Name Unknown) would handle relations with the press.

According to the source, it was clear from the discussions that Scott Gail was the leader of the group. [redacted]

Source advised that the group plans to meet again in the near future.
